Testimonials

I visited The Oaks for the first time this past weekend and I was in awe! It is beautiful and modern and so clean inside. All of the staff was so professional and friendly could not have been any better! Food and drinks were both delicious! It would be an awesome place to host any special occasion and I love that it's also bringing different events and options of things to do in our town! 5 STARS!!!

This venue is awesome! Such a great addition to the Crawford County area! Perfect for any type of event you are planning! Will definitely visit again & hold our next event there!

We have been to both the New Year's Eve party and the 80's Prom. They were both so much fun. The Hall looked fantastic and the food was so good. Everyone had so much fun. The Hall was huge!!! We cannot wait until the next event!!!

We have been to multiple events here and they have all been great and a lot of fun! 5 out of 5 recommended!

Having djd at hundreds of event venues over the past 33 years, The Oaks is right at the top of my list of favorite venues. First the acoustics in the place are phenominal. Theresa and Bobby, the owners, are wonderful to work with. Communications with the event hall staff is always prompt, professional and courteous. I can not say enough about this place!!!
